

Counties & Independent Cities

A detailed map of Virginia's 95 counties and independent cities. The map uses a light blue color for most land areas, with yellow highlighting specific locations. A scale bar at the top left indicates distances from 0 to 100 miles. A legend at the bottom right lists the names of the counties and cities, numbered 1 through 39. The map shows the state's geographical features, including the Appalachian Mountains in the west, the Chesapeake Bay in the east, and the Atlantic Ocean to the southeast. Major cities like Washington D.C., Baltimore, and New York City are visible as small dots near the coast. The map also shows the state's borders with North Carolina to the south and West Virginia to the southwest.
